## Affordable prices

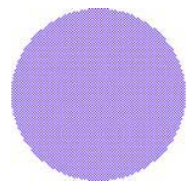

Wow what an exciting couple of months! Gateway 2 Scrappin has been a hive of activity. We have made lots of wonderful new friends and look forward to seeing all of the fantastic projects being worked on each week. Thank you for all the words of encouragement and support over this busy time.

### After Dark Scrappin

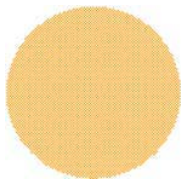

Friday night is a crop night for all to enjoy. We are here to offer advice and inspiration to complete your projects but please understand that when we have 24 people attending we are not able to offer a one on one lesson. If you need one to one help with techniques etc. you are more than welcome to come in during the day or attend one of our classes. Thank you for your understanding. We enjoy spending time with all of our scrappy friends and feel that the relaxed atmosphere on a Friday night allows us to do this.

Due to the large numbers of people wishing to attend After Dark Scrappin we encourage people to book in advance. If you are then unable to attend we would appreciate you letting us know, as we often have a waiting list, and we can then fill the space. We do have a limited number of spaces available.

As our Friday After Dark Scrap has proved so popular we are introducing a Saturday After Dark Scrap for all those who find Fridays difficult to attend. The Saturday After Dark Scrap will commence at 3pm and finish at 10pm. Pizza dinner and nibbles will also be provided.
